

Circular “EURAMAL Membership and Conference Fees”

Feb. 16, 2024

Dear colleagues

I hope this mail finds you all well. The 15th EURAMAL meeting is approaching, so we are getting serious... which also means: paying due fees.

If you are planning to attend, please pay both membership and conference fees (default payment, see below).

If you are not attending, please do not forget to pay your membership fee nevertheless, to keep your membership valid.

Otherwise you will be deleted from the mailing list, will have to update yourself about any upcoming events, and having lost membership, will have to apply "from scratch" if you consider becoming a member again in the future. Please consider it as an act of support that allows EURAMAL to continue its activities.

Payments to be made **by March 15, 2024** to the following account:

- IBAN **DE65 1203 0000 1035 8681 71**
- BIC **BYLADEM1001** (Deutsche Kreditbank DKB, Taubenstr. 7-9, 10117 Berlin)
- acc. holder: **Stephan Guth**
- In the "Purpose/message" field, mark your payment with <YOUR NAME> and <**EURAMAL2024**>.

Membership fee (valid 2024-2025): **80€** (reduced for students, etc.: **40€**)*. Payment of membership fee entitles to participation in EURAMAL activities, among which also the 2024 meeting).

Conference fee: **80€** (students et al. **40€**)*. This fee covers registration, welcome cocktail, coffee & snacks, and lunch during the whole conference, as well as the official conference dinner.

Default payment for those attending the Prague meeting (membership 2024-25 & conference fee): **160€** (students et al. **80€**)*

* Reduced fees for students without funding from home university, or (on application) for fellows from countries with weak economy, etc.

NB: In 2022 (Sofia/online), some of you decided to **migrate overpaid fees** to your 2024 balance (and if you did so, you got a 10€ bonus). If you are among those who agreed to this migration, your Prague balance may be settled already, or amount to much less than the regular due payment. Please check with your records. If you forgot to pay your membership fee during the COVID period, you should add 80 (40)€ to your debt.

Attendants without paper: Pay **80€** (reduced **40€**)* to the account above and send confirmation of payment to bank account indicated above.

Listener only (without coffee, meals, etc.): **40€**

You will receive a receipt for your payment during the Prague meeting. (If you are not attending and only pay your membership fee, please let me know, so I may send you a confirmation of payment by e-mail.)

No (or difficult) funding for your trip?

Student members and others who face difficulties in obtaining the necessary funding for their trip and participation in the conference may apply for a **subsidy** from the organizers. Applications should be sent to the Treasurer (stephan.guth@ikos.uio.no), briefly explaining your situation. For the time being, we cannot guarantee that subsidies can be granted at all; in any case, they will certainly not cover all your expenses (but you may reckon with a maximum of ca. 200-250€). Available funding will be distributed on equal terms. We will consider applications received **by February 29, 2024**.

Best wishes

Stephan
